

# PING® Performance Scoresheet

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Score: \_\_\_\_\_ Weather: \_\_\_\_\_

To assist in identifying undesirable ball-flight patterns, we encourage golfers to track their on-course performance using the PING Performance Scoresheet. The golfer can review these results with a fitter to identify possible adjustments which may have a positive impact on ball flight. The PING Performance Scoresheet may have an additional benefit if utilized during the round to make adjustments to technique or strategy upon recognizing an undesirable pattern(s).
